MESSAGE

It gives me immense pleasure to know that **Association of Practicing Pathologists (APP)**, Haryana and Pt. B.D. Sharma PGIMS, Rohtak are organizing their 8th Annual Conference at Rohtak on February 7, 2016. A souvenir is also being brought to mark this occasion.

Medical field is a noble profession in the Society. Hence, Doctor plays a vital role in saving precious human life. It is more important to keep the medical practitioner abreast with the new developments in the medical science. The advancement in the field of Pathology has opened new alternatives for the Quality Management. APP, the group of Pathologist plays an important role in the field of new scientific inventions.

Haryana Government has taken a number of new initiatives to improve the Health infrastructure and facilities in all the hospitals of the state. To facilitate the citizen OPD record in all the State Government hospitals will be made online by March 2016. A 'Centre of Excellence' of AYUSH is being set up at Panchkula for promoting Naturopathy as an alternative system of medicine. Our Government has decided to promote Yoga in a big way to improve the life style and physical fitness of the people of the State.

I extend my best wishes for success of the conference and publication the souvenir.
